

Kansas Maternal & Child Health Partner

We need your feedback!

As part of the Title V Maternal & Child Health (MCH) Services Block Grant Federal-State partnership, Kansas is required to make our annual application and report available to the public for the purpose of gathering input. We have created an online survey to collect information, opinions and perspectives from consumers and partners across the state. As a key partner informed of and concerned about the needs of MCH populations, services and resources we invite you to share your input. Find more information online at:

www.kdheks.gov/bfh or www.kansasmch.org

Your input is very important to us and will be kept strictly confidential.

Take the survey here:

<https://www.surveymonkey.com/r/6JGLJ7C>

The survey will open for public input on July 19 and close on August 9, 2021.
