

Kansas Maternal & Child Health Partner

We need your feedback!

As part of the annual Title V Maternal & Child Health (MCH) Services Block Grant program, Kansas is required to provide a federal report and application available to the public for the purpose of gathering input. The purpose of this survey is to collect information, opinions, and perspectives from consumers and partners across the state who are informed of and concerned about the needs of the MCH population, established services and resources, and existing factors that affect the implementation of policy and programs.

Watch for an email in June 2017 with access to the draft application/ report and public input survey!
